

Associate Vicar of All Saints and St Richard's Crowborough

Stipend and house

All Saints is a large conservative evangelical church working in partnership with St Richard's. This is an exciting new post at a time of fresh vision for the future ministries of our churches.

Under the leadership of the Vicar, this Associate will give strong support to the mission and ministry at St Richard's for three days a week, and take responsibility for developing discipleship ministry at All Saints for the remaining three days.

We are praying for:

- An **evangelist** who will work with the committed membership of St Richard's to grow the church in outreach.
- A **pastor** who can nurture relations within the church and in the local community.
- A **teacher** with a clear conservative evangelical faith and a passion to teach the Bible to all ages.

➤ **Closing Date: 2nd June**

Interview: 26th June
