# Come & Join Us!

**St Andrew's, Leyland** is a vibrant and reformed conservative Evangelical Anglican church based in the heart of Lancashire. We have a passion to see the Blackburn Diocesan vision of 'Healthy Churches Transforming Communities' become a reality, and we are also an active partner of the North West Partnership of churches. We are looking for an Associate Vicar to join our team, someone who is passionate about reaching others with Jesus, growing His church and sending disciples out equipped to serve Him in our parish, region and world.

## Associate Vicar

You will be an ordained person who will work directly with the vicar, become a congregational leader for one of our four Sunday congregations as well as overseeing our youth and children's work and helping to share the workload of leading the whole church family. Resolutions A & B are in place.
